

All prices for services are expressed in euros, excluding tax. The services must be paid for at a refund. The average analysis time to LFG is one week.

To benefit from the professional rates, a Kbis extract of the company dating less than 3 months will be requested for the creation of the customer account. Each deposit must be accompanied by a representative (request for analysis indicating the goods entrusted and the analyses requested). Possibility to download it on the laboratory website in the section 'Deposit your stones'.

For each deposit, a document will be given to you summarizing your request. This document must be given for the restitution of your items.

For the details of each of our services, go to our site, in the section 'Our analysis and reports'.

For color and purity gradation, all diamonds submitted to the laboratory must be loosened (unmounted) and cleaned.
